TERMS AND OPTIONS

Payment

Payment is due within 30 days from the date of the contract.

Payment can made by cash, cheque, debit and most major credit cards.

A rate of 1.0% per month (12% per annum) is applied to any outstanding balances after the initial 30 days from the date of the contract.

Funding

When prepaying for services and supplies, we offer two funding options.

When prepaying, you pay for the service and supplies today and the money will be used to pay for the services and supplies at the time of death.

Trust

Where the money is paid into an interest-bearing trust account and upon the death of the individual, is used to deliver the services and supplies, unless the contract was cancelled.

Insurance

Where the money is paid into an insurance contract and upon the death of the individual, is used to deliver the services and supplies, unless the contract was cancelled.

Additional information about our Schedule of Funeral Service Fees is available upon request.

Prices subject to change.
